WASH Core Pipeline Distribution/Utilization Reporting Form

Report to be submitted by Requesting Organization to the WASH Cluster 1 month maximum after reception of core pipeline items

PROJECT INFORMATION

Report Date:	DD/MM/YYYY	Distribution/Response Date(s)	DD/MM/YYYY
Name of Organization:			
WASH/Programme Contact Person		Contact number and email	
Core Pipeline Request (CPR) Number:	WC-CPR-__-____	Core pipeline Agency(ies) and Warehouse(s) from which the goods were received	1. 2. 3.
Date of receipt of items:	DD/MM/YYYY	HRP Partner (Y/N)?	YES ☐ | NO ☐
Project Type UNICEF PCA Partner (Y/N)	YES ☐ | NO ☐	Type of Mission:	STATIC ☐ | EP&R ☐ | RRM ☐

Response Location Information

State		County	
Payam/s		Exact Location/Boma(s)	
GPS Coordinates (all)			
Site/Settlement Type	POC ☐ | IDP site ☐ | Host community ☐ | Others (specify) ☐ _____		
Response Type	Conflict-affected ☐ | Disease outbreak ☐ | Food insecurity ☐ | Flooding ☐ | Others (specify) ☐ _____		

WASH Non-Food Items (NFIs) Distribution

Population Type	New IDPs ☐ ___%	Host community ☐ ___%		Target number of individuals	
	Protracted IDPs ☐ ___%	Others (specify) ☐			
	Returnees ☐ ___%	(_____) ___%			

Beneficiaries Reached (Actual Distribution)

Location *Disaggregate per Boma if more than one location	Total Households Reached	Men (≥18)	Women (≥18)	Boys (<18)	Girls (<18)	Total Individuals Reached
TOTAL						

People with Special Needs (people with disabilities, pregnant, elderly, child-headed HH) Reached (Actual Distribution)					
Location *Disaggregate per Boma if more than one location	**Men (≥18)**	**Women (≥18)**	**Boys (<18)**	**Girls (<18)**	**Total**
TOTAL					

WASH Borehole (BH) Rehabilitation/Construction

Population Type			Target number of BHs for rehabilitation		Total # of BHs rehabilitated/ repaired	
	New IDPs ☐ ___%	Host community ☐ ___%				
	Protracted IDPs ☐ ___%	Others (specify) ☐ (_____) ___%				
	Returnees ☐ ___%					

Beneficiaries Reached (Population Accessing the Rehabilitated/Constructed Borehole)						
Location of Boreholes *Identify each borehole – specify GPS coordinates – lat and long)	**Households Benefitting**	**Men (≥18)**	**Women (≥18)**	**Boys (<18)**	**Girls (<18)**	**Total Individuals Reached**
TOTAL						

Supplies Utilization Summary

Item	Total Quantity Received	Quantity Distributed per HH *Specify if there is any variation per HH size for distribution	Total Quantity Utilized	Quantity Lost/ Damaged	Remarks *If the quantity distributed is different from what was requested, please explain here

NARRATIVE REPORT (Distribution and/or Borehole Rehabilitation)

1. Background: Briefly describe the background of the needs and assessment done prior to the response and utilization of core pipeline supplies.

- How was the assessment done? Who were involved?
- How was AAP, Protection mainstreamed during the assessment?
- Was GBV risk assessment conducted with women and girls prior to borehole construction/rehabilitation
- Describe the results of the needs and findings during the assessment.

2. Beneficiaries Targeting: Provide information about the targeted beneficiaries of the response.

- What was the intended target for the response compared to total population in the response location? How was the targeting done?
- If the targeting was not for the whole community, what was the parameter/ selection criteria used for target-setting? Who were consulted?
- Was gender-specific needs taken into consideration during the identification of beneficiaries?
- How about people with disabilities? People with special needs (identify what was considered as PSN)?
- How was equal access ensured for men, women, girls and boys?
- What and how were beneficiaries informed? Provide details of the beneficiaries' registration undertaken

3. Summary of the response: Briefly describe the implementation process.

- How many households/individuals reached after the response? Give comparison to target.
- How did the supplies reached/assisted the beneficiaries? Were there any changes from the assessment recommendations/plan?
- Highlight any un-utilized items.
- How was the community informed of the details of the distribution? How was the order maintained during distribution?
- How was protection mainstreamed during the distribution? How was GBV risk assessment utilized during the response?
- What was the roles/participation of the community during the whole response? Please indicate all.
- Discuss if and when usage of items was demonstrated to the beneficiaries. (who conducted the demonstration, when and where was it conducted)
- Describe the complaints/feedback mechanism in place. How were feedback/complaints addressed?
- What were the challenges?

4. Impact of the response.

- How were the supplies used by the beneficiaries?
- Was a training/demonstration conducted during the registration/distribution (please describe)?
- Discuss comments or feedback from beneficiaries/community and the organization about the quality of supplies.

5. Self-evaluation: Remarks/Challenges and Recommendations.

- Did you face any major challenge during the whole response process?
- What went well during the response? What did not go so well/room for improvement?
- Discuss any best practice, lessons learned, and recommendations for future response.

SUCCESS STORIES

**Please share any anecdotes/stories from beneficiaries who have experienced positive impact from the response*

PHOTO DOCUMENTATION (Mandatory)

**Please attach pictures of all phases of the response (during consultations, assessment, registration, verification, distribution, demonstration of use of items, feedback mechanism). Observe proper consent procedures when capturing photo of beneficiaries.*

CONTACT INFORMATION FOR MONITORING (Mandatory)

**Please attach pictures of all phases of the response (during consultations, assessment, registration, verification, distribution, demonstration of use of items, feedback mechanism). Observe proper consent procedures when capturing photo of beneficiaries.*

Role/Function	Name	Contact Numbers/Information:
(e.g.) Agency team lead		
(e.g.) RRC Chair		
(e.g.) Paramount Chief		
(e.g.) Payam Chief		
(e.g.) Boma Chief		
(e.g) Women's group representative		
(e.g) PWD group representative		
(e.g) Youth group representative		
(e.g.) Beneficiaries (minimum of 50 samples)		

THANK YOU!

Please submit this report to: **corepipeline@gmail.com one month after the response**
