SHELTER/NFI NEEDS ANALYSIS REPORT

Field with (*) and italicized questions are mandatory. For checkboxes (☒), tick all that apply.
Use charts from mobile data collection (MDC) wherever possible.

1. General Information	
Location* (State/County/Payam/Boma):	
Alert Date* (first time the location mentioned to the Cluster):	
Analysis Dates*:	
2. Location Information:	
Report Date* (date completed):	
GPS Coordinates*:	Latitude: Longitude:

3. Team Details*

Name	Organisation	Title	Contacts: Email/Mobile/Sat Phone

4. Map of area: *(hand sketched or official map)*

5. Background information: Displacement, Movement, and Conflict Trends
What information did you find about the context and trends in this location more than six months ago?

Is this a cyclical/seasonal displacement? *Possible sources :*	
Specify the cause of the displacement:	
How has the displacement affected people (different groups) in this area? *Possible sources : INSO, WFP, CSRF, SFPs, JMEC*	
Housing, Land, and Property issues?	

a. Are there any reported/anticipated HLP issues as a result of this displacement? If yes, what mechanisms are in place to handle HLP disputes? *Possible sources: SSLS, HLP WG, Protection Cluster, NRC*	
b. What groups are marginalized in terms of land ownership, and why?	
List all the previous S/NFI and food distributions in this area following the displacement, with key details (date, # beneficiaries, location). *Possible sources : SFPs, Cluster IMO*	
What aid actors are static in this location? What aid actors visit regularly? *Possible sources: SFPs*	
What community groups have already been in place in this location? *PwD committees? Women's groups?*	

Date	Location	Type of assistance	#hhs or Indiv	Agency

No	Static Partners	Mobile Partners

6. Summary of Population Type / Numbers

Where possible, teams can paste a chart instead of entering all of the data below.

Population details: (original location)		
Population Count: **Source: RRC**	HH:	Individuals:
Population Bio-Metrically registered by IRNA Team	HH:	Individuals:
Population breakdown	Men:……% Women: ……..% Boys: ……..% Girls : ……%	
Plans to stay: do they have plans to stay? If yes, for how long?	☐ 1-3 months ☐ 3-6 ☐ 6-12 ☐ I do not know	

Is the current location prone to severe rapid onset flooding/conflict?	☐ Flooding ☐ Conflict ☐ Other (specify) …… **To what extent?** ☐ Likely ☐ Less Likely ☐ More Likely
What are the vulnerability dynamics?	☐ Children at Risk (CR): # ☐ Unaccompanied/Separated child: # ☐ Other person at Risk (ER): # ☐ Women at Risk: # ☐ Single parent/caregiver (SP): # ☐ Disability (DS): # ☐ Serious medical condition: # ☐ Minorities/ Detached from community: #

POPULATION RESIDING IN SETTLEMENT SITE	**POPULATION IN NEED OF S/NFI**
☐ IDP directly affected by conflict	☐ IDP directly affected by conflict
☐ Host directly affected by conflict	☐ Host directly affected by conflict
☐ IDP affected by disaster: Flood	☐ IDP affected by disaster: Flood
☐ Host affected by disaster: Flood	☐ Host affected by disaster: Flood
☐ Refugees from: _____	☐ Refugees from: _____
☐ Protracted IDPs (living in collective site for 1+ years)	☐ Protracted IDPs (living in collective site for 1+ years)
☐ Returnee: government-facilitated	☐ Returnee: government-facilitated
☐ Other returnee	☐ Other returnee
☐ Population in transit to: _____	☐ Population in transit to: _____
☐ Other returnee: _____	☐ Other returnee: _____
☐ Unintegrated	☐ Unintegrated

Protection Concerns	
Do people feel safe here? Include the percentage reporting safety	☐ **Yes …….(%)** ☐ **No …….(%)** ☐ **Somehow ……. (%)**
Have any risk or security assessments been done in this area? Explain *Possible sources : INSO, WFP, CSRF, SFPs, UNDSS, JMEC*	
What are/were the protection concerns identified/observed?	
If any, how have the above protection concerns affected/likely to affect the affected population?	
How are they addressed?	
Environmental concerns:	*Specify any environmental issues identified/observed?*

7. S/NFI Resource Availability:	
Availability of SNFI in the community: What Shelter materials are available in the community?	☐ Grass ☐ Bamboo ☐ Trees ☐ Other (specify)
Which of the items (above) are easily accessible?	☐ Grass ☐ Bamboo ☐ Trees ☐ Other (specify)
For the inaccessible items, explain why	
8. SNFI Gaps	
Existing Coping Mechanisms	
Estimate the number of HH with no form of shelter (and source):	
How do the affected population shelter themselves and support their household NFI needs without humanitarian support? *Fully explain the community's coping and resilience strategies.*	
If people are generally hosting, what is the hosts general condition?	☐ More/less normal for South Sudan ☐ Emergency level of need ☐ Strained resources / cannot share
Sheltering capacity	What is the average number of individuals per shelter?
Do the population have access to construction tools?	☐ Yes ☐ No ☐ Limited
9. Rapid Market Assessment	
Is there any functional market in this community?	Name of the nearby market(s):
Have any market assessments been conducted here? *Possible sources: IACWG, SFPs, FSL Cluster*	

What NFI or Shelter materials (if any) are available in the market for purchase? Include the *cost of each item*

No	Item	Cost In Market	Comment
01			
02			
03			
04			
05			

Capacity of markets/traders to respond to the identified SNFI needs?	Do the traders selling SNFIs in the market have enough stock and capital to respond to the identified SNFI needs? ☐ Yes ☐ No (explain)

10. AAP / Communication & Community Engagement	
How has/did the S/NFI team engage the community?	
How did the team implement the Community Feedback Mechanisms, if any?	
What are the community's preferred channels of communication?	
11. Summary of the Recommendations:	
What SNFI response is recommended? (tick all that apply) ☐ NFI intervention recommended ☐ No intervention recommended ☐ Training activity recommended ☐ Integrated sector response recommended; specify sectors: ☐ Shelter intervention recommended. ☐ Cash intervention recommended ☐ Continue to monitor needs	
Explanation: *Justify why you recommend the above response/modality.*	
SNFI priorities to respond to:	
What are the top recommended S/NFI priorities in their order of ranking? Provide the justification. *(List only 3-4 items, in order of priority)*	**Ranking and justification** **Priority #1:** **Priority #2:** **Priority #3:** **Priority #4:**
12. Targeting Criteria	
Define your targeting criteria: *In reference to the SNFI vulnerability/targeting criteria, which groups of people will be*	

targeted for the response and why?	
Number of HHs/Individuals to target per location/beneficiary breakdown:	

Location (Payam)	#HHs	#Individuals
Total		

Specify #items to be distributed: *Include number and S/NFI type per household in the order of priority*

S/N	Item	No. per HH	Total of the items to be requested
1	Plastic Sheet		
2	Blanket		
3	Sleeping mat		
4	Cooking set		
5	Mosquito Net		
6	Bamboo		
7	Poles		
8	NFI bag		

13. Methodology used (Summary)

Data collection methods employed:

How did you gather the information above?

☐ Desk research
☐ Observation
☐ Key informant interviews: #.....
☐ Household interviews: #.....
☐ FGDs: # .....
☐ CFM: # _____ (attach complaint record)
any additional information? ……..

Key considerations for distribution/access:

☐ Airstrip (List plane types: __)
☐ UNHAS destination (___)
☐ River access (Explain: _____)
☐ Road access (Explain: …….)

Other logistics information for people and cargo:

Security/Access issues:

Next steps

Recommendation for other sectors:
Specify the sector and recommendation

	Immediate next steps	Timeline	Who is responsible
